

Tool Sharing Package

AT A GLANCE

AIM - To make the world a more fair place - by sharing the tools and resources, normally reserved for “business professionals” with young people and communities to support them to make the changes they want to make.

OUR SOLUTION

Sharing our simple, tried and tested tools in the easiest possible way:

- To make a positive difference
- So it's easy for people to use
- For lasting results and affordability

WHAT CAN WE OFFER

- 8 tool sharing sessions to your group (online or in person) over a period of 8 weeks for up to 20 participants
- Journals for each participant

WHAT WE ARE LOOKING FOR

People that “get it” that want to include the tools in what they do.

WHAT TO EXPECT:

A unique, tailored programme that shares simple tools in a way to make a positive difference. They can be used straight away as part of your project, group or activity!

WHAT YOU WILL LEAVE WITH:

Simple tools that make a positive difference, that you can use at work, at home or in the community and share with others.

WHO IS IT FOR?

Any group that is looking to create a positive impact for themselves, or for other people in their life, work or community.

PRICE: £2400
