

Building ideas

This planner is to get THINKing about a specific building, or an idea - any research you can do will be useful to taking this forward and sharing with others.

Building name

Current status: Summary

Owners:

Location:

Condition:

Size:

Costings:

Purchase
Repairs
Refurbishment

Is it an asset of community value?

Building research: Action

What will I do next?

By when?

Ideas and involving others

What is it that I want to do?

What space/resources do these ideas require?

Where else might I find them?

Sustainability: How will this idea benefit the community?

How will this idea be sustainable?

Idea research: Action

What will I do next?

By when?
